### **Northeast Region**

Proposed Program (\$2,025)

1. 72 RCC scholarships @ \$25 (\$1800)
2. 9 to attend Region speech competition @ \$25 (\$225)

Completed Program (\$1,925 = **95%**)

### **71 RCC scholarships; 6 public speaking competitions**

The following competitions were held at the Naval Training Center in Newport, RI – Drill Team, with 32 cadets, 2 cadet staff members and 8 seniors; Color Guard, with 35 cadets, 2 cadet staff members and 6 seniors; Public Speaking with 9 cadets, of which 6 received scholarships and 2 seniors. Both the Drill team and Color Guard competitions were performed before an audience of approximately 100. New DDRA is establishing a working relationship with pertinent contact personnel to make next year a success. All literature and videos have been received.

### **Connecticut**

Proposed Program (\$3,000)

1. 75 encampment scholarships @ \$40

Completed Program (\$3,000 = **100%**)

### **75 encampment scholarships**

New DDRA appointed in April. The wing was not organized or prepared to coordinate activities for the cadets. Contact has been established to make FY01 a success. DDR literature and videos are on hand for future activities. Involvement of more squadrons is a focus in expanding the DDR program in CT. Encampment scholarships were provided to 75 cadets, as an incentive to those in need. Over 100 cadets participated in the well-structured, drug-free encampment where leadership exercises, orientation flights, drill, misc. ceremonies and a DDR class were taught.

### **Maine**

Proposed Program (\$0)

No timely application submitted

Completed Program (\$1,927.58)

### **10 encampment scholarships, color guard equipment, model rocketry kits**

Working at state level with Army/ANG DDR office to establish a beneficial working relationship. The Red Ribbon Campaign was highlighted during Maine's Wing Ball with the distribution of ribbons and a DDR presentation. Activities included: a booth at the Greater Bangor 2000 Air show, which drew a crowd of approximately 7,500; display showcased at the South Portland Mall during a CAP Awareness campaign and a manned DDR display during Presque Isle squadron/community open house. DDR briefings were conducted during wing encampment, Cadet Advisory Council meeting and the Maine Wing Annual Conference. The wing is utilizing all DDR literature and videos. Local fundraising activities aided with the following activities (participants): Model Rocketry Competition (50); Encampment scholarships (14); Bangor-Brewer's Memorial Day Parade (10), July 4<sup>th</sup> Parade (10), Veteran's Day Parade (10); Medway Veteran's Center Dedication parade (6).

## **New Hampshire**

Proposed Program (\$6,279)

1. 50 cadets to NCASE @ \$100 (\$5,000)
2. Rocketry program (\$600)
3. Cessna CD flight program (\$279)
4. 100 cadets to McAuliffe Planetarium (\$400, Planetarium to contribute \$500)

Completed Program (\$6,950.44 = **111%**)

### **Rocketry program, (4) tabletop displays**

DDRA has remained in this position for the past 5 years. Nominated and won “Wing of the Year” for the past 2 years. The National Drug & Alcohol Clearing House is utilized for free literature. Participation in the annual Red Ribbon Campaign was 100%.

All squadrons participated in the annual Model Rocketry competition, DDR Bivouac and DDR literature and videos are utilized for discussion during monthly meetings. The wing chaplain incorporates the DDR theme in his monthly visits to the squadrons.

Cadet retention is strongly encouraged. 10 cadets have attained the Mitchell Award status.

Activities (participants) at Pease ANGB included: Open House (16); Career Day (23); Wings of Hope Air Show (38); Holiday celebration (5), and were attended by seniors, base personnel and the general public. New Boston Trk. Sta. provided a survivor/DDR bivouac “Drugs – How They Affect Our Lives” and was attended by 27 cadets, 8 seniors, Pease ANGB and New Boston personnel. 1 cadet from each squadron was privileged to participate in the Red Ribbon Campaign at the Capitol State House Plaza in Concord, with the governor, Army DDRA representative and public in attendance. 2 cadets, a senior and the Army Guard DDR representative visited Rundlett Jr. High School for a MSI presentation. All eligible squadrons receive funding to develop programs. 85 cadets and 27 seniors attended encampment. The NH wing conference was attended by 29 cadets and 13 seniors.

Tabletop displays were purchased for the squadrons as this one item is used numerous times a month for activities. The wing had a DDR/Ground Team Training/HQ “Clean Up” weekend bivouac with 22 cadets in attendance. The support staff from the Concord Hospital “Fresh Start” program is utilized, along with the State of NH Diversion Program to coordinate speakers who are recovering drug and alcohol addicts. This has become a very useful resource, as these people in recovery seem to have a greater impact on the cadets.

**Seacoast Comp Sqdn** – 6 cadets and 3 seniors participated in Pan Am Career Day at Pease ANGB in Portsmouth. The DDR display and literature was available to the public. 15 cadets and 3 seniors participated in the annual wing conference, attending the DDR seminar and visiting the DDR booth. 15 cadets and 10 seniors participated in the “Wings of Hope” air show at Pease ANGB for brain injuries. The DDR display/booth was set up on the flight line.

**Nashua Cadet Squadron** – Throughout the year this sqdn held topic discussions on the effects of drugs and alcohol. Videos were utilized, with discussions at the conclusion of the viewing. After a safety briefing/lecture at one meeting, cadets interacted by telling stories of peer pressure.

**Concord Comp Sqdn** – The color guard marched in the Kiwanis spring parade and the Memorial Day Parade. As part of the moral leadership program, a guest speaker visited the sqdn from the local chapter of Narcotics Anonymous. “Mike” spoke about the dangers of illicit drugs and alcohol and was very persuasive in his message of “drug avoidance”. The cadets asked many questions and the interaction was impressive. This sqdn also assisted in the coordination of the recruiting booth at the “Wings of Hope” air show at Pease ANGB.

**Monadnock Comp Sqdn** – Set up a recruiting booth, with the DDR display, at Keene Dillant-Hopkins airport as part of the Armed Forces Day celebration. The Keene Police Dept provided the DARE police

vehicle along with their DARE officer. A guest speaker at a sqdn meeting was a USAF recruiter, presenting his experiences as a member of the AF color guard team.

**Manchester Cadet Sqdn** – various topic discussions revolve around “How To Say No”, “What Are Drugs” and “How They Affect Our Lives”. They also worked with the New Boston Air Station during their 40<sup>th</sup> anniversary. Base personnel have given security briefings to the cadets, along with the directory of Operations, discussing with the cadets the adverse effects of drug use for future military careers.

**Hooksett Comp Sqdn** – This sqdn commander is a Hillsborough Co Sheriff who is very aware of the consequences of drug use and utilizes his experience and fellow officers to help get the message out to the cadets about avoiding drugs, tobacco, alcohol and gangs. He is very active in this area and is ever vigilant about keeping these topics at the forefront at all times. This sqdn is very active in recruiting – utilizing the DDR display while participating in numerous community events.

### **New Jersey**

Proposed Program (\$1,800)

1. 12 flight encampment scholarships @ \$150

Completed Program (\$0)

No end of year report submitted.

### **New York**

Proposed Program (\$2,150)

Completed Program (\$2,238.56 = **104%**)

### **Color guard & uniform items, 20 encampments**

All wings participated in the Red Ribbon Campaign, with a newsletter and ribbons being distributed at the Oct. Commanders call, after a discussion on the meaning and importance of this campaign. Community educational events, with 500+ in attendance, took place at the Warren Co. Airport (15 cadets), Brookhaven LI Airport (45 cadets), Schenectady Co. Airport (2 cadets). 1500+ attended Griffis Aviation & Law Day, with 15 cadets and 10 seniors. Wing conference was held at Lake Placid for 75 cadets, while 186 cadets at Ft. Drum attended Leadership encampment. All DDR literature and videos are being utilized for training and a recently purchased TV/VCR unit is now available, along with a tabletop display. 2 squadrons participated in the K-Mart Kids Race and raised \$6,000. Part of this amount will be used for an ambitious AE project.

**Amelia Earhart Squadron Color Guard** has 6 color guard & 15 non color guard participants. They meet weekly to practice. They placed 3<sup>rd</sup> in the Wing color guard competition, having never participated before. These members are at-risk inner city youth who would otherwise be unable to participate if the equipment and uniforms weren't provided to them. This squadron supported a local Thanksgiving Day parade and utilizes the wing TV/VCR to show videos from their color guard activities.

**Buffalo One Squadron** has 19 participants and is developing a color guard. These members are also at-risk inner city youth, who would otherwise be unable to participate if it weren't for the donation of uniforms. This squadron has participated in a DDR Recognition ceremony administrated by the Wing DDRA, including administration of the Drug & alcohol Quiz and presentation of participation.

**TAK Composite Squadron**, with 12 participants, has participated in 3 parades and 2 banquets. The tabletop display was used along the parade route and pamphlets were distributed by hundreds of spectators. This is another squadron composed of at-risk inner city youth.

All units participated in the annual Red Ribbon Campaign. Activities included: Base Open House at Andrews AFB; River fest Base Festival at Bolling AFB; Youth Center Model Rocketry presentation at Bolling AFB (276 cadets, 24 seniors, 260 military dependent children); Base Library Summer Reading Program at Bolling AFB; encampment (51 cadets, 4 seniors); wing conference (32 cadets, 18 seniors); Summerfield JHA (5 cadets, 3 seniors, 6 military dependents). MSI established at two schools. Matching funds are provided and solicited. AF YMCA bus support program provides funding to transport Summerfield JHA children to off-site activities. Color guard equipment was utilized for 4 squadrons. Each sqdn established and trained a 6-person team in procedures. Both Bolling AFB and Andrews AFB enjoyed participation of the color guard, during several activities. During encampment, cadets received 4 of the top 5 awards (Honor Cadet, Outstanding Cadet Officer, Outstanding Cadet NCO and Leadership Academy Honor Cadet); participated in the model rocketry program; UH-1 helicopter orientation flight;

C-130 orientation flight; C-22 orientation flight; confidence course and leadership reaction course; tours and classes presented by USAF, CAP and Army personnel; drill competition; DDR presentation and a dining-in banquet. The model rocketry program provided fun, hands-on AE activities and the opportunity for cadets to work on their Rocketry badge. The Space Shuttle Launch/NASA trip was cancelled due to an erratic shuttle launch schedule. This was to include 18 cadets. DC ANG Shadow Program involved 20 cadets. This 4-day program provides learning the daily tasks of the guardsmen; experiencing different military specialties to greater appreciate military life and possibly choosing their career path. Uniforms were provided to 4 cadets, who are lower grade military dependents. Three are still active in CAP.

**Scholarships: 10 music academy, 15 encampment, 5 glider camp, 8 flight, 1 COS, 1 speech, 2 RCLS, 5 leadership academy; color guard equipment; CADCA membership, 150 MDWG patches**

All units participated in the annual Red Ribbon campaign. All DDR materials and videos are being utilized throughout the wing.

Through the assistance of the CAP LO, several rocket days were conducted for the youth of Andrews AFB, Dover AFB and Aberdeen Proving Grounds. In addition to the building and firing of rockets, the DDR program was included as a part of the day's activities.

The National Military Music Academy participated in a numerous activities, highlighting CAP's involvement in the DDR program. Some of the events included presentations given at Arlington Cemetery honoring the dead (21 cadets, 10 seniors), Congressional Cemetery (21 cadets and 10 seniors) and Mt. Vernon (21 cadets and 25 seniors). A successful event was participation at the National Mall as a part of the CAP Military Tattoo 200, which saluted America's Veterans. The 389<sup>th</sup> Army Band at APG and musicians from six different community bands joined forces to support this most important event. The impact of this event on recruitment and retention is impossible to gauge, due to the diversity of the audience. However, there are a number of applications for membership from this positive effort to expose CAP. MER Honor Guard Academy involved 20 cadets and took place at Camp Pendleton, VA.

The Tri-Wing Encampment at APG involved 300 cadets and 40 seniors. DDR briefing, Fatal Vision demonstration, special DDR discussions were conducted for the Leadership Academy and the National Military Music Academy cadets.

MSI is active and in the second year at Francis Wood HS, with improvement in attendance and grade performance. The school administration acknowledges the positive benefits so much that they have made concessions, such as liberal arts credits, for students enrolled in the program. The salary of the teacher and his assistant to teach the CAP program are also picked up by the school's administration.

The MD Honor Guard has 50-70 participants and held more than 20 practices, throughout the state.

Activities included: MER conference – a rifle drill demonstration and a short play showing the dangers of substance abuse; Veteran's Salute at White Marsh Squadron – served as escorts, did honors and rifle demonstration for 150 veterans brought from nearby VA facilities; Baltimore VA hospital – rifle demonstrations; Color Guard at numerous patriotic openings on the local, state and national level; Martinak State Park Fall Fest – distributed DDR literature and answered questions; Ft Dettrick Army Day – color guard and rifle demonstration; attended several sqdn meetings and provided DDR message; provided honors at a funeral.

Purchased two snare drums for the music program, available to entire wing.

Funds were allocated to 150 cadets for retention, such as welcome letters and MDWG patches.

### **14 encampments, 10 memberships, uniform items, 1 flight encampment, AE training & camp**

The mission of the Illinois Wing Drug Demand Reduction Program is to promote awareness, increase knowledge, develop skills, and provide positive activities in order to establish and support a drug free environment for our cadets and community.

During the past year the Wing has participated in educational programs, at the squadron level, Wing level, at encampments, conferences, as well as in diligent community outreach activities within public schools and other venues such as Red Ribbon, DARE, and mentoring programs.

We have established and maintained working relationships with our squadron DDR officers, Cadet Council DDR representatives, coordinated efforts with CD and DEA agencies in Illinois, local, county and state law enforcement agencies, the Department of Children and Family Services, and USAF Guard, Reserve, and Active Duty coordinators.

- ?? 100 % of our units have DDR officers.
- ?? 100 % of our squadrons participated in Red Ribbon Week. Cadets throughout the Wing wore ribbons and distributed ribbons at their local schools.
- ?? 100 % of our squadrons actively participate in the DARE program at the unit level through quarterly presentations by their local DARE representative.
- ?? 100 % of our units conduct community outreach DDR programs at recruiting activities, such as at local air shows, and school open houses through the efforts and participation of over twenty cadets making those presentations. Initial memberships were awarded to 10 cadets.
- ?? 100 % of our Wing encampments have DDR programming. This year over 300 Illinois Wing cadets attended our encampments in Peoria, Mattoon, Great Lakes naval Training Center, and Volk Field, with 14 scholarships being awarded
- ?? Over \$1,300.00 of CAP dollars was used to provide equipment, materials, supplies, and encampment fees for cadets in the wing as incentives for exemplary DDR participation. These funds supported ten cadets for general and flight encampments, with one cadet receiving a scholarship.
- ?? Over \$3,500.00 of CAP funds, along with over \$35,000.00 in local matching funds were used to support our Middle School Initiative, providing thirty six cadets the opportunity to attend our Illinois Wing Flight Encampment and Ground school for inner-city cadets at Chicago's Midway Airport.
- ?? Over 5000 Chicago Public School Students participated in DDR activities and training through our local Middle School Initiative in connection with External AE activities.

4. 20 sets of uniform items (\$324)
5. Color guard equipment (\$470)
6. 5 national activity scholarships @ \$100 (\$500)

Completed Program (\$3,902 = **121%**)

**4 drug ID kits; 6 initial memberships; uniform items; color guard equipment; 12 encampment, 10 national activity & 4 cadet activity scholarships**

A joint working relationship with all surrounding military installations has been established. DDRA has actively remained with the program during the year, initiating and coordinating a successful Fatal Vision demonstration. All DDR literature and videos are being utilized and all units participated in the Red Ribbon Campaign. DDRA attended NICCI grant-writing course in Louisville, KY and NICCI Basic DDR training courses in San Luis, CA.

A DUI awareness and Fatal Vision class was conducted, with Norm Lawson of the KY Legislative Research Commission, at Louisville Comp. Sqdn (attended by 20 cadets and 10 seniors) and KY ANG Sqdn (attended by 8 cadets and 5 seniors). Cadets supported the Bowling Green Comp Sqdn Air show with a DDR display and handouts. U.S. Border Patrolman (Ret.) Ab Taylor of Alpine, CA presented training in Man tracking and Hug-A-Tree, resulting in qualification of ten CAP members as presenters. Winter encampment was held at Millersburg Military Academy with 50 cadets and 10 seniors in attendance. DUI awareness, DDR training and a Fatal Vision goggle demonstration was held. Presented Fatal Vision driving course to 100 cadets and 75 seniors at the KY wing conference, with media coverage. The KY Science Fair Extravaganza was held in Frankfort, KY with over 5,000 in attendance. Coordinating with Regional AE Director and the KY NG, cadets and seniors manned a DDR display booth with handouts. After meeting with the KY DARE Conference Coordinator and viewing the "Choices not Chances" video, a request was made for the CAP Cadet Color Guard to present a demonstration at their conference in Richmond, KY with over 200 law enforcement officials in attendance. This was accomplished by coordinating with all the region representatives, covering all 120 counties in KY. Cadets manned a display booth with handouts and the Color Guard performed. This activity turned out to be extremely successful as it afforded the opportunity to meet with the National DARE Assoc. President, the incoming KY DARE Assoc. President and retired Cincinnati Red's third baseman and former Director of Champions Program, Doug Flynn. Topics discussed were the CAP DDR cadets supporting the DARE program.

DDRA coordinated with KY ANG DDRA for cadet participation in a DUI conference to be held at the State Capitol in Frankfort, KY in October 2000. Met with Western Regional Victim Advocate for MADD in KY, providing information about the DDR program. An expression of interest in developing a working relationship resulted from this meeting. Contact was made with the USMC Reserve in Lexington, KY as the DDR program had gone inactive, due to personnel turnover. This contact was important as they expressed an interest in learning more about CAP.

A successful Fatal Vision class and demonstration was held in San Antonio, TX at National Board with positive feedback and requests for this demonstration at other events. Two cadets attended with the DDRA's and were exceptionally helpful and knowledgeable.

### **Radio, promotional items, 7 national activity & 6 encampment scholarships**

Interim DDRA, since July, is the Wing Cadets Program Director. Unit did not get fully involved until close to the end of the FY. All DDR literature, materials and videos have been received. Cadet officers conducted briefings at their high schools to deter their peers from substance abuse and other potentially harmful activities. The TV/VCR has been linked with a computer within the unit to be utilized for regular classroom presentations in over 30 meetings in the last year. This has allowed the staff members to provide professional training, using tools like Microsoft PowerPoint and media tools, such as NASA's online libraries. Through the purchase of 3 handheld VHF-FM radios, the cadets have received both basic and advanced communications user training. These radios have been used at every meeting (42); (6) unit field training exercises; and (4) wing evaluated training missions. Encampment scholarships were awarded to 6 cadets, with 2 as first-time attendees and 5 cadets received scholarships for participation in National Cadet Special Activities. Promotional items were ordered for recruitment purposes.

Most units participated in the annual Red Ribbon Campaign. All units are utilizing DDR materials and videos. Activities included: K-Mart Kids Race Against Drugs in Phoenix (51 cadets, 16 seniors), winter encampment at Luke AFB (48 cadets, 5 seniors), summer encampment in Tucson (88 cadets, 8 seniors), cadet meeting in Sedona (22 cadets, 5 seniors). Provided matching funds for encampments. The Arizona Air National Guard Freedom Academy was attended by 50 cadets and was held at Camp Navajo, near Flagstaff. There was no competition between units this year, as the ANG took over upon arrival of the cadets and divided them into teams. All weekend, teamwork was evident, along with the positive attitude of the guard personnel. Each team designed a DDR poster and presented a drug-related skit on Saturday night. The ANG presentations were outstanding and the anti-drug messages were well received by all in attendance. National Headquarters adopted the poster designs by these cadets and have printed them for distribution to each squadron.
